Consumption of up to 100 kWh per month is not carried forward from one month to another.		

(2) Value added tax is added to the rent amounts indicated in (1).

(3) For the sports hall, utility expenses are paid separately from the rent amount established in accordance with the provisions of (1).

Article 8 Parking on university premises

(1) Access of vehicles to university premises is at the sole responsibility of the driver and/or vehicle holder.

(2) The University shall not be liable for any event, incident or damage (including theft, attempted theft, vandalism, damage, accidents, fire, natural phenomena, falling objects or incidents caused by third parties) occurring to vehicles and/or property inside them, regardless of whether the vehicles are moving, stationary or parked on university premises.

(3) The parking access permit is personal and non-transferable and is granted for a single vehicle identified in the application and in the university records.

(4) Under the terms of these Regulations, the University may make day-and-night parking spaces available on its premises, within the available capacity and subject to compliance with campus access and traffic rules.

(5) The number of day-and-night parking spaces is limited for each campus, as follows:

(a) Plevnei Campus: 2 spaces;

(b) Tei Campus: 15 spaces;

- (c) Colentina Campus: 3 spaces;
- (d) Pache Protopopescu Campus: 5 spaces.
- (6) Day-and-night parking spaces are allocated to persons:
 - (a) employed by the university under an individual employment contract of indefinite duration; and
 - (b) involved in university activities, including activities requiring presence/operation outside the usual working schedule.

Parking spaces are assigned by decision of the Administrative Council, on the basis of a reasoned application sent to secretariat.dga@utcb.ro by the end of January.

(7) The application addressed to the Administrative Council must include:

- (a) the purpose for which day-and-night parking is requested;
 - (b) a brief description (a few lines) of the actual activities for which parking is required, including activities carried out outside the current duties/job description, as applicable.
- (8) Day-and-night parking spaces are established and communicated to beneficiaries through the premises/campus plan, with the locations clearly marked so as not to affect access routes, manoeuvres, logistical activities and/or the carrying out of works (including construction sites) on campus.

Table 9

Vehicle access to the UTCB campus		
a.	Daytime vehicle access fee between 06:00 and 22:00, valid for the fiscal year in which payment is made	75 lei
